***This Dirty DP Cutie Took Time Out
To Show Her Goods...***

Selena Rose

"I know I'm a hot shot porn star and all," this fiery Latina whispers, "but nothing gets me off more knowing that I have tons of perverts looking at my pussy, and cumming all over my pictures."

Spreading her pert petals apart, she prods her fingers in and out—licking the sweetness that sticks to her fingers. "Mmmm...I wish you were here to swallow it all up."

Turning on her belly, she loves shaking her Latin booty—teasing more of her fans. "Next time, maybe you'll get to stick your big, throbbing cock in this? Would you like to feel my tight teen hole?"

Selena's holes are
aching to be filled—
muy caliente!

***When Tanita Writes An Ad For A Kinky Fuck,
She's In Store For A Kinkier Lay...***

Tanita & Rick

"You're just what I like," Tanita says, undressing her gentleman caller. "I want someone with experience. Someone who can handle all this," she mumbles—her mouth full of cock.

Picking her up, she slides down on his cock while he bounces her in the air—pumping her even more until droplets of her sweet cream rain down his hulking log.

"Fuck, yeah! This is what I wanted! Fuck me harder!"

Grabbing her vibrator, she licks it until it's glossy, and when her friend is balls-deep inside her, he slides it in her backdoor—surprising her virgin asshole.

"I bet you didn't expect that," he moans, while watching her shake even more.

"Now, it's my turn," he growls, stroking his rod until jets of his jizz spackle her face.

"Yes! That was it!" Tanita says, licking the cream from her fingers, "The fuck I've been craving this whole time!"

These BFF's Show How They'll Do it...

Danika & Subil

"Since you got in the truck, I've wanted to eat that succulent pussy of yours," Danika says, pulling over to the grassy field.

Jumping out of the car, Subil lifts up her legs, motioning for her girl to lick her pussy. While sipping from her sweet peach, her belly starts to rumble.

"Wait, Subil. Get in the bed... I have a surprise for you."

With the water filled halfway through, Subil gets in while Danika sucks her pussy dry—splashing the water until her pussy makes waves.

"My turn now. Friends return favors," Subil moans, playing with her girl's billowy puffin until her tongue lashes against her hole—causing a tsunami of girl goo down her throat.

Playing in the water, Danika says, "I can't see us being any closer than we already are—we're made for each other."

Naughty Neighborhood Watch

By Mikki T.

Photos by Miles Long

<http://twitter.com/#!/mileslong4real>
<http://mileslong4real.tumblr.com>

My senior year of high school has been nothing but drama, and usually I like to unwind by reading a book and taking a nice, frothy bath, but recently, my pussy has been milking, and I've noticed that my hand has been giving it a little more attention than usual.

I haven't been able to help myself, and even though I didn't want to spend money on more porn sites (I also don't want my parents to see anything suspicious on the computer) and I don't have a boyfriend, I considered going to a bar and fucking a stranger on the spot. The thing is, the people are too clean. I want a man with a history to him—someone a little dirty. A guy who's rough around the edges, so to speak. I wasn't sure where I was going to find that, per se, so I figured that I would wait until college—or at least fuck one of my teachers the last day of school.

I was walking home one day when I spotted a man about his mid-40's, dark, thinning hair with a hurried step, walk into a building with no name attached to it. I always heard there were seedy peep shows and beyond dirty videos in there, but I always thought it was a myth. My mouth watered, wondering about the kinkiness that went on in there, and as I carried my History and English books with me, I waltzed right in—blinded by the cheesy red lights. No one asked me for my I.D. and I went straight into the back, looking for the other customer.

I was thrilled that I was even dressed for the part with too-short jean shorts and a tight tank top that accentuated my B-cups. My pussy was already soaking when I found the stranger digging through the clearance "Barely Legal" section.

I don't even know what came over me, but I started looking through the same bin and made it a point to lean over to where my cleavage was practically bulging out.

"Oh, there it is!" I said, *Big Cocks In Little Holes 5*.

It was the unspoken rule, and I loved that he knew exactly what to do. Walking over, he stood behind me and rubbed his rock-hard cock against my ass. As I moved up and down, I could feel him getting harder, so I knelt down, put my schoolbooks

under my knees and unhinged his rod from his pants. His pre-cum was raining out of his head, and when I looked up and took the first, salty swipe, he growled, "Suck that fat cock, you dirty, little slut!"

My pink was flooding at the time, so to relieve my stress, I put my denim crotch to the side and fiddled with my burgeoning button until droplets of my cooze cream was flowing down my tanned thighs.

I continued to deep throat him until he was glossy, so when he gently lifted me up, I put myself on the bin of bawdy movies, and made him watch me as I removed my shorts and played with my box.

"Mmm...I bet you'd love to taste this teen twat...it tastes so sweet, you've never had anything like it."

He was stroking his rod so hard that I thought he was going to blast right there, but the more I shook, the more I wanted him inside me.

He, instead, teased me by taking my thighs and putting them over his shoulders, while he went tongue-deep inside my pussy. His moans were vibrating through me, making me closer to cumming. I could tell he was a pro by the way he was pistoning his flesh flap, and once he prodded two fingers in my hole—I erupted—creaming his lips with my sweet sauce.

"Get up here and fuck my little, tight hole now!" I said, pulling him up, with his massive mast ramming into me. He jackhammered my tight hole so hard and fast, I started to gush again. Every time he held onto the pole, he would get deeper, and I knew he was close because he kept slowing down—making sure he waved my clit before pulling out and splashing his seed all over my fine tits.

We cleaned up and didn't say a word to each other, but I got exactly what I needed—a dirty fuck with a stranger. If this is what I'm like now, and I'm not even legal to drink, I can't imagine what a whore I'll be once I start college.

"Just look at my pussy. It's been so lonely that it's practically weeping," Vanessa says, playing with her thin lips. "It's too bad I have no one to fuck, but I've never used a toy before."

Unwrapping the brand-new dildo, Vanessa remembers what she saw in a porn video—a girl starts licking the toy until it's nice and wet, and then slides it in slowly—making sure she plays with her clit at the same time.

"Mmm...that does feel so good," Vanessa says, the toy deep inside her teen walls. "I can't believe I've waited so long to try this."

As her eyes get bigger, so does her burgeoning button—until she presses the glass wand a little upwards releasing all of her girl goo.

Licking the rest of the toy, she whimpers, "I now know what I was missing, but it's a good thing my pussy won't have to weep anymore."

Whale Tail 6

Starring: Skin Diamond, Lia Lor, Cameron Dee, Mia Malkova, Staci Silverstone, Toni Ribas, Alex Gonz, Mark Wood, Tony Martinez, Tyler Nixon

Directed By: Jim Powers

Available From: Smash Pictures

From the title of the production, you may be scratching your head and wondering, "What exactly is a *Whale Tail*, anyway?" We're pleased to inform you that such an erotic display occurs when a girl's thong panties are exposed while she bends, walks, or squats. Generally speaking, low-rise jeans and high-cut G-strings are ideal for creating such a boner friendly demonstration.

In fact, for some people, there is nothing quite as erotic as watching a woman parade around in tight jeans and thong panties. Imagining her rounded buttcheeks, accentuated by the colorful trim of their G-string, is enough of a visual to send your hormones into overdrive. This scenario becomes exponentially more explosive if you're the lucky receiver of such a sensational display.

Interested in uncovering the eroticism surrounding this fascination of female flesh and fashion—director, Jim Powers, along with a laundry list of upcoming starlets—have come together in the sixth installment of this sexy series in *Whale Tail 6*—a glossy wall-to-wall offering from Smash Pictures. Together, they plan to get to the root of this kinky fetish, and have graciously offered us a ringside seat into their glamorous world of: Round asses, tight jeans, and titillating thong displays. Trust us; this is the hottest skin show in town. So, grab your pole—it's time to reel in some delectable *Whale Tails*!

Lia Lor begins the day in skintight jeans and a blue tank top. Like sheer poetry in motion—she saunters around the luscious grounds of a luxurious mansion, admiring the exquisite view of Los Angeles. As she sexily strolls, we can see her black thong panties shifting underneath the stretched denim. It's official—the first *Whale Tail* of the day has been spotted!

As the camera pans back, we now see that Alex Gonz has been watching her every move—ready to replace his glass of ice water with a mouthful of her juice box instead. Walking over to her, he curls a tendril of her blonde hair behind her ear and flirts, “I like that whale tail.” Now feeling sexy and wanted, she flashes a sexy smile in his direction, and offers him more direct contact with her killer curves.

Bending over for her new admirer, Lia places her hands on top of her knees and begins wiggling her ass back and forth. Gonz grabs her double bubble with both hands and slowly peels her jeans downward, exposing her ample ass. Unable to resist the temptation of her tantalizing tushy, Alex buries his face between her buttcheeks, taking in a hearty whiff and naughty tongue swipe of her crinkly butthole. “Oh, you’re a dirty boy,” Lia teases, jiggling her bum against the sides of his cheeks.

While still positioned behind her—Gonz plops his cock out of his jeans and wraps her thong panties around his pole. Once lassoed, he rubs his panty-clad cock around the curve of her ass—seemingly jerking himself off with her dynamic display. “So fucking beautiful,” Alex charms, before slamming his cock into Lor’s pussy in a standing doggie arrangement. Immediately taken by surprise—it only takes but a few seconds before Lia is an active participant in his game of afternoon delight.

Ravaging her in several more arrangement including sixty-nine and cow-girl—Alex eventually unloads his Mexican hot sauce inside of Lor’s manicured pussy—creating an authentic caliente creampie!

As the production moves forward, we find Skin Diamond promenading through an elaborate rock and crystal garden—admiring the glimmering stones. Bending and twisting to get a closer look, we see her electric blue whale tail making its grand appearance beneath her sexy black jeans. “These are so beautiful,” Skin charms, when talking about the rose quartz crystals. Standing right behind her, admiring her impressive ass and

gleaming blue thong, Toni Ribas moans, "Oh, yes it is!"

While still hunched over, Ribas glides into position—biting the back pockets of her jeans. To further tease Diamond, he also pulls her thong panties upward with his teeth, only to snap them back into place against her milk chocolate skin. After he's licked the deep arch of her lower back, Skin flirts, "Does my sweat taste good?" From the looks of it, we suspect that every nook and cranny of Skin Diamond tastes good!

Ready to take this game to the next level, Toni slams his Spanish sausage into her sweaty snapper—feeling the inside of her cunt with the tip of his meat missal. "Fuck, your cock feels good!" She remarks, as he grabs a handful of her wavy hair and continues pounding her harder in doggie position.

Once her lean legs begin to tire, they continue humping in missionary position across a picnic table. This time, Ribas ups the ante by removing her blue panties and shoving them inside of her pussy. Excited by this erotic display, Skin is more than happy to taste the fruits of their labor when he later, shoves the soggy material into her mouth. "Is it good?" He contends, resuming his place between her thighs. As another orgasmic wave washes through them, Toni contorts her petite frame in pile driver position—really slamming down his gavel to garner slippery and salty results.

Meanwhile, Mia Malkova, a beautiful blonde with the most irresistible smile and thick ass—is meandering around Tony Martinez's well-appointed backyard. Although he's on the phone, seemingly making a business call—he sets his phone down the minute she walks by—displaying her hot pink whale tail. From here, the two engage in some brief dialogue, even though the clatter from the expansive waterfall in the background is totally drowning out the sound. Although their conversation is completely inaudible, we think it's going a little

something like this: "Hey, nice whale tail. Wanna fuck?"

After some sultry kissing and butt worshipping ensues outside, Tony leads Mia into his home—resting her on her hands and knees across a leather mattress. Still new to the art of porn, Martinez isn't exactly sure when it's okay to dive right into hardcore action. Just to help move things along, Malkova smiles, "Don't be afraid to kiss my ass!"

Once given the green light, Tony amps up his game slightly, although he's still a bit tame and far too polite to be a heavy hitter in this particular instance. But, alas, he eventually wedges his face between her double bubble, and pleases her pretty fuck holes with his tongue.

With this blonde beauty already sprawled out in doggie—he squats behind her and impales her tight pussy with his semi-hard prick. Again, he's a bit amateur in his approach by failing to open up to the camera and not being cognoscente of Powers's lens. Moving around the situation, Powers proves to be the ultimate pro—capturing the perfect shot after some minor adjustments are implemented.

From here, Mia lowers down to lick her sticky sauce off his stick. Also a bit green in the BJ department, she does an average job of spit shining his pole. Only a brief segment of this display is captured before Powers has them transition into another hardcore arrangement—cowgirl. The duo continues here for a while, ending their romp with a healthy splash of sperm that covers this *Whale Tail* tart in goo!

The following encounter occurs on a ranch, where we find another blonde bombshell, Cameron Dee, admiring an impressive horse. Bending over to pet the magnificent animal—we catch a glimpse of her black G-string poking out from the confines of her studded jeans.

As she continues strolling around the grounds, we notice that Mark Wood is

beginning to follow her. Once she notices him, she stops and says, "Mr. Woods, what are you doing here?" With a boner bulge already beginning to form in his pants, he lays it all on the line and says, "I couldn't help but notice your underwear hanging outside of your pants." Happy to have been noticed by the handsome older man, Cameron gives him the green light to go fishing in her pond.

Working his hands around her super-curve body, Mark stops at her ass. Unbuckling her belt, Dee leans forward and displays her whale tail in all of its glory. "It's called a whale tail," she flirts, as he lodges his face in her asshole. Slurping up her juicy parts, as if sucking down the final contents of his cheery flavored icy, Mark Wood delights her with his impeccable oral skills. "Feels good," she moans, really getting frothy and all worked up at this point.

Leading her to a concrete bench, Mark leaves her sexy jeans on while hammering her hot hole in doggie position. Now strumming her thong with his fingers, Wood plays a hardcore game of Cats-In-the-Cradle with her panty, as he continues pounding her round. Howling with delight—Cameron seems to love Wood's experienced dick—especially when it treats her to her first orgasm of the day!

From here, Mark impales this princess in every conceivable arrangement before christening her face with dollops of his baby batter. Licking up every last drop—Cameron Dee proves to be one sexy *Whale Tail* wanton that was well worth catching.

Although our time on set ends here, we're pleased to announce that Staci Silverstone is yet another *Whale Tail* who has yet to be reeled in. With that said, we hoped you enjoyed the naughty visuals of thong panties riding high behind round asses and skintight jeans. Once again concocting the perfect boner-inducing recipe—director, Jim Powers, certainly has all the bases covered. With all hooks baited and more *Whale Tails* to be spotted—what are you waiting for? It's time to go fishing!

Vonda's fascination with Ivana's natural tits sends her over the edge...

Vonda & Ivana

"I know I've been around, Ivana," Vonda says, licking her girl's puffy nipples, "But I think I love your perfect tits the best." "Moving her tongue down from Ivana's mouthful of boob flesh, to her sinewy body, Vonda pelts her fingers in deeply—getting used to Ivana's tight walls expanding against her digits. "Mmm...that's right—lick my titties while making me cum, you dirty slut!" Ivana screams, raining down a fountain of her girl gash down Vonda's fingers. Turning Vonda around, Ivana lies down while lapping at Vonda's pert asscheeks—sinking her flesh flap deep inside her rectum until she spews her sweet sauce all over her natural fun bags. Not wasting another minute, Vonda licks her own jizz from her lady's buttons, whispering, "We have a lot more playing to do, so get ready!"

**When A Friendly Game Of Strip Poker Turns Kinky,
This Threesome Becomes A Full House...**

Lara, Stone & Tom

"Oh, sorry, Stone, but I have an ace, so that means that you have to suck my cock," Tom musters, pulling out his raging rod in front of the girls—"In fact, why don't you lick my balls, Lara, I'm sure you'd like to get in on the action, too."

As Lara and Stone take turns licking Tom's balls and deep throating his massive mast, Tom's incessant throbbing gets the best of him, so once Lara jumps on top—bouncing on his cock like a hungry animal, she splashes her girl goo all over his wang—grabbing it even more with her tight walls.

"That's it, girlie," Stone whispers—"cum all over that large rod. I need to know what I'm in for when it's my turn."

Guiding the girls to the bed, Tom puts Stone on the mattress, sliding in his swelling sword. "Mmm...you girls really are BFF's, you feel exactly the same!" he says, pumping in harder and faster until he presses her hood—making her shake.

"See Stone, I told you he's good," Lara whimpers, playing with her woman's tits.

The ladies know that he's about to burst, so when he pops out of Stone, the girls take turns swapping their spit all over his baloney pony, until his frothy load covers both their faces.

Kissing each other's man juiced lips, Lara says, "Let's do this every week. We win every time!"

**This Natural Nympho Knows Her
Way Around The Bedroom...**

Anabelle & Chris

Once Anabelle flashed her neighbor her pussy, it was all uphill from there. She didn't need to tease any longer, and before she and Chris got in the bedroom, her pussy juice was dripping down her legs. "I want that fat cock in my butt, stranger, but first, I need to get it all slick. Put it down my throat now!"

Bobbing it up and down her throat, the pre-cum starts to dribble down her tongue, and with a few thrusts in her teen pussy, Chris finally enters her backdoor—holding onto her narrow hips.

"That's it! Fuck me harder with that big boner!" She moans, touching her clit as it fills up and releases all down her digits.

Pulling out, Chris strokes his rod a few more times—splattering his seed all over her natural face. Licking up the rest of his jizz from her pillow, she musters: "Now that's how I like to welcome all my neighbors."
